Pawtucket Nov 19 1833

My Dear Sir - I have just returned from a long journey to
 to the south and find your favour of the 11th instant -
 I intended to have written you before leaving home but
 in the multiplicity of cares it eluded my mind - I am
 more than ever interested in the cause - I most cheerfully
 give you my name and that of three other ministers, who
 although I have not had opportunity to see them all yet
 knowing their sentiments so well that I feel the utmost
 confidence that they will with the utmost pleasure commend
 your book -

Respectfully - yours - Ray Potter
